

CERDEC WORKSHOP – DAY 1

Wednesday January 20, 2010

Gibbs Hall – The Fort Monmouth Officers Club

2000 Tinton Avenue, Ft. Monmouth, NJ, 07703

Agenda

Time	Company	Speaker (Name/Title)	Topic
0730-0830	Check-in	Continental Breakfast, Coffee, Beverages	
0830-0900	DeVenCI Welcome and Opening Comments		
	CERDEC Welcome and Overview		
Company Presentations – Wireless Transport			
0900-0925	Achronix	Jim Mulligan – VP Worldwide Sales & Scott Norrholm – Director Sales	Very Fast FPGAs, up to 1.5 GHz
0925-0950	M2SC	Rainer Perthold, GM IZT GmbH, and M2SC Partner	Wideband Digital Receivers and RF Signal Sources
0950-1015	Scintera Networks	Roger Merel – VP Product Strategy	RF Linearizer Improves Power Amplifier Efficiency
1015–1030	BREAK		
Company Presentations – Wireless Transport (continued)			
1030-1055	Sand9	Matthew Crowley – VP Product Development	RF Nano MEMS Resonators and Components
1055-1120	DSPLogic	Dr. Michael Babst - President	Software/Firmware, Cognitive Networks, Sensors and Radios

Time	Company	Speaker (Name/Title)	Topic
1120-1145	WiSpry	Art Morris - CTO	Fabless RF Semiconductors for Wireless Applications
1145-1245	LUNCH		
1245-1300	Director, Rapid Reaction Technology Office		
Company Presentations – Network Operations			
1300-1325	Spectrum Bridge	Joe Hamilla – Chief Operations Officer – Co-Founder	Spectrum Management Through Dynamic Spectrum Allocation
1325-1350	BigFix	Sandy Hawke – Senior Director, Product Marketing	Security Configuration Management for Windows, Linux & Unix
1350-1415	Referentia Systems	Keith Parsons – Senior Systems Engineer	LiveAction Real-Time Network Visualization, Rapid Analysis and Configuration Tool
1415-1430	BREAK		
Company Presentations – Network Operations (Continued)			
1430-1455	Saratoga Data Systems	Greg Fairbank – President and CEO	Bandwidth Efficient Voice and Data Communications, Cognitive Networks and Radios
1455-1520	Integrien Corporation	Dr. Mazda A. Marvasti – Co-Founder and CTO	Actionable Intelligence Data Fusion from Monitoring Raw Metric Data in IT Infrastructure
1520-1530	BREAK		
1530-1630	Government Caucus		
1700	ADJOURN DAY 1		

CERDEC WORKSHOP – DAY 2

Thursday January 21, 2010

Gibbs Hall – The Fort Monmouth Officers Club

2000 Tinton Avenue, Ft. Monmouth, NJ, 07703

Agenda

Time	Company	Speaker (Name-Title)	Topic
0730-0800	Check-in	Continental Breakfast, Coffee, Beverages	
0800-0830	DeVenCI Opening Comments CERDEC Welcome		
Company Presentations – Mobile Networking			
0830-0855	AwarePoint	Jason Howe - CEO	Wireless Tags, Sensors, Real Time Location Determination Service
0855-0920	mZeal Communications	Dr. Rajini Anachi - President/CEO	Network Optimization and Security
0920-0945	Agito Networks	Christian Gilby – Product Marketing Director	Enterprise Fixed Mobile Convergence Platform
0945–1000	BREAK		
Company Presentations – Antennas			
1000-1025	Maxtena	Dr. Stanislav Licul - President/CEO	Active electronically Scanned Phased Arrays for SOTM, High Performance/Small Size Active Antennas, SATCOM/GPS
1025-1050	Aerius International	Bill Luxon - CEO	Hi Performance Mobile RF Engineering & Antennas

Time	Company	Speaker (Name-Title)	Topic
1050-1115	Ventis Antennas & RF	Dr. Jovan Lebaric - Principal Engineer	Ultra-Wideband Antennas and Associated RF Subsystems
1115-1140	Rayspan	Dr. Ajay Gummalla – VP of Applied Research	Meta-material Air Interface Solutions for High Performance Wireless Networks
1140-1240	LUNCH		
Company Presentations – Cybersecurity and Information Assurance			
1240-1305	Bit Armor	Tim Hollebeek – Senior Architect	Information-Centric Security, Persistent File encryption, Data Retention/Expiration.
1305-1340	NIKSUN	Frank T. Clark – Distinguished Engineer	Network Packet and Activity Monitoring, Inspection and Reporting
1340-1405	FireEye	Gene Skiba – VP Federal Sector	Malware and Botnet Detection
1405–1420	BREAK		
Company Presentations – Cybersecurity and Information Assurance (Continued)			
1420-1455	RedSeal	Tom Arthur, President and CEO	Network Security Risk Management, Vulnerability Assessment, Network Auditing
1455-1520	Triumfant	Dave Hooks – Founder and CTO	Automatic Malware Detection and Remediation without Signatures
1520-1530	BREAK		
1530-1630	Government Caucus		
1700	ADJOURN DAY 2
